MASS RALLY AND MARCH

NOVEMBER 10

In the last two years, low wage workers have stood up with faith, labor, community, and elected allies; raised KC's minimum wage and breathed life into our state motto: *“Let the welfare of the people be the supreme law.”* With brown, white, and black Americans unified in action, we've advanced our vision: No one who works should live in poverty, bear racism's brutality, and that all working people deserve union rights and a voice in our government. And on 11/10/15, KC will Stand Up again. Join your voice with ours as our numbers combine to ensure \$15 and Freedom for all!
